I'm reaching out to my sisters and brethren
u gotta be a part of it, be a part of it

There are no limitations to your mind baby go ahead and grind baby
go for your dreams
go and get whatever's real and be building your Dream
get involved get into it yes get on our team know what i mean
it's the return of the blue hills finest rock rhymest
the scratch superstar mc, see
I be moving crowds from Germany to Paris-ris
we get united and take stand in solidarity
u got my back, I got your back and its all good
rich poor doesn't really matter man I'm speaking to all hoods
it's time to rearrange the game
it's time to put our mind together recognize we all can make a change
come on u gotta use brain cause every got a talent gotta main aim
maintain your flame keep it burning through the rain with it
and when they ask u who said so, say dave did it. word!

Hey! get into it
put up your hands and join the movement
knowledge is power if u know how to use it
come on let's do it let's get involved!
